RE: Ralph Gugliotta
Chestnut Plaza Drum Site

Dear Ms. Woods

Representative Hosmer sent this office a copy of the enclosed request for enforcement from DNR. The City of Springfield is equally interested in prosecuting this case.

Please advise what steps, if any, we can take to supplement your action on the matter. We have not seen the results of the DNR investigation, and would appreciate copies of anything you can send us.

Sincerely,

Robert H. Handley
Assistant City Attorney

Dear Ms. Woods:

With this letter, I am referring the case of Mr. Ralph Gugliotta and the Chestnut Plaza Drum Site of Springfield to your office. Investigation by the Missouri Department of Natural Resources has determined that Mr. Gugliotta is responsible for the improper disposal of several drums of hazardous waste at the Chestnut Plaza Drum Site, located at the 400 Block of S. Ingram Road in Springfield, Greene County. I request your office to pursue monetary penalties for violations of Missouri's Hazardous Waste Management Law and Regulations, and to pursue any injunction needed to achieve compliance or protect human health and the environment.

A copy of the case file is attached, and Ms. Suzanne Modlin of your staff has been working on some aspects of this case. Mr. Tom Judge of this office should be contacted at (314) 751-3176 for any further information or assistance that may be required.

Very truly yours,

DEPARTMENT OF NATURAL RESOURCES
